

**Locum GP required  
at  
Conisbrough Group Practice**

**The Stone Castle Centre  
Gardens Lane, Conisbrough, Doncaster  
South Yorkshire DN12 3JW**

We are looking for a locum to cover up to 4 days/8sessions per week starting Monday 3<sup>rd</sup> September 2018 for 3 months

We are located in the Dearne Valley, between Rotherham and Doncaster and within easy reach of Sheffield, Barnsley and Wakefield.

We are a teaching training practice, working from a new LIFT building with excellent clinical and administration teams.

The practice is paperlight and operates on EMIS Web; we are also using Docman electronic management system.

- We have 5 hardworking proactive partners that take pride in providing an excellent quality of care for patients
- We are a stable, friendly and enthusiastic practice looking after 11,000 patients
- We are working from a new LIFT building built in July 2011
- We were awarded an Outstanding status following a CQC visit in October 2016
- We are consistent high QoF achievers
- We are involved in research
- 95% of service users would recommend this practice on the Friends and Family test
- We have a rating of 4.5 on the NHS choices website
- We are involved in training medical students, GP Trainees, Student Nurses and Advanced Nurse Practitioners
- We run an excellent triage system with the help of 4 Advanced Practitioners
- We have a full complement of attached staff
- The vacancy would be suitable for a newly qualified GP

Any informal discussion about the post please call Mrs Mona Parks 01709 915241 or Dr Mark Boon 07971514926
