GP Partner/Salaried Wanted!

An exciting opportunity has arisen to be part of "Team Thurcroft". One of our salaried Doctors is leaving for pastures new, not because of something we said or did...honest! We tried to negotiate just turning her radiator up to maximum and having a beach scene on her screen-saver but she was having none of it!

Anyway, we are looking for a new GP to start anytime from mid July 2019. It would be for 6 sessions working Wednesday, Thursday and Friday with on call duties on average 3 times every 4 weeks. Salary will be 8.5K to 9K per session depending on experience, it will be the usual BMA contract and we will pay for your indemnity for these sessions. If you wanted to consider Partnership we would be extremely happy to discuss this as an alternative. We are open to any discussions re working days and number of sessions and would welcome informal chats and visits to the Surgery.

We are a Partnership of 4 (3 GP Trainers and about to become 4) and have 2 Salaried Doctors. We work out of 1 Surgery in a semi-rural area and our population is very stable. We are so IT savvy that we even have a Team Thurcroft WhatsApp group! What more could anyone wish for!

The closing date for applications is the 21st March 2019. So once you have thought "this is for me!" then please send in your CV and covering letter to our Practice Manager. We are aiming to interview the week commencing 23rd April.

We look forward to your application!

Dr Johnathan Cobb
Dr Gail Crowley
Dr Avanthi Gunasekera
Dr Jenny Rebora

Mrs Jill Meaburn, Practice Manager
The Village Surgery
